

30 January 2013

Dear Colleague

Alps – Top 25% thermometers

We have completed our analysis of A level performance for 1,251 schools and colleges across England, Wales and Northern Ireland in 2012.

It is with great pleasure that I enclose a certificate in recognition of your school or college's performance. Your 3 year T score indicates that your results match the 'top 25%' nationally in our benchmark.

This is a fantastic effort and is well worth celebrating, keep up the good work!

We would also like to take this opportunity to ask you to be involved in an Alps School/College Improvement initiative. We receive a number of requests for help during the academic year from schools and colleges that want to improve a curriculum area and share experiences with a top performing institution in that subject.

We would be delighted if we were able to put your name forward as a top performing institution on one or two occasions following such request, we would let you know in advance. Please email Nicola Kennedy at info@alps-va.co.uk if you would be happy to be involved this year.

If you would like a digital copy of your certificate, please email us at the same address and we can send this to you.

Warm regards

Toby Ahern
Deputy Chief Executive
Alps – Alkemygold Ltd
